

Municipality of Northern Bruce Peninsula Council Report

Report Number: CAO-23-16

Subject: Cabot Head Road Information

From: Peggy Van Mierlo-West, CAO

Date: September 11th, 2023

Recommendation:

That Council receives the report titled Cabot Head Road for information.

Background:

As per Council's request. The attached documentation is for Council information regarding Cabot Head Lighthouse and the ownership of Cabot Head Road.

Comments:

It is vital to highlight that the Dyers Bay area presents a challenging situation when it comes to ownership and the multitude of stakeholders and residents affected by any modifications or developments implemented. Therefore, it is imperative that thorough public consultations and agreements are undertaken with all involved parties to ensure a resolution that meets the needs and concerns of everyone involved.

It would highly recommend convening a facilitated council meeting to delve deeper into this matter and discuss the information at hand. Such a meeting would provide an opportunity for all relevant parties to come together, engage in comprehensive discussions, and address any questions or concerns that may arise. By fostering an open and collaborative environment, the meeting can facilitate the exchange of ideas and opinions, ultimately leading to a more informed decision-making process.
